“ Grandpa was a great man in all aspects. Of course, he was a stern man and a man of few words but all he did was care about his family and loved ones the way he knew best. I have him to thank for having such a large influence on my upbringing and for taking such good care of Grandma, especially after her stroke. He had a huge hand in my life by allowing me to visit every summer and allowing my to golf and make close friends with all of their golfing friends. I will miss him deeply every second of every day and I know he is always watching over me. I love you Grandpa.##imported-begin##Mark Dunn, Jr.##imported-end##

“ My deepest sympathies goes out to Charlotte & all the family. My Mom (Betty Mamuscia) sister, (Chris Lundy) had the privilege of visitng with both Bill & Charlotte last Spring while in Myrtle Beach area. I'm so glad we did! He was very gracious & we could see he took very good care of Charlotte. I wish her the best with her care now. When we knew Bill & they lived in NY, he was a typical "Colonel"--very regimented & kinda hard-nosed! I'm glad those routines were able to help him as he got older & more laid-back. I hope he's at peace now & that somehow God will find a way to help Charlotte get through her sad days ahead of her! All my love, Pat (a family friend...)###imported-begin###Pat Searles###imported-end###
