“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ I am so sorry for your family's loss. Mr. Naimey was a terrific man. I always looked up to him since I was a little girl. He has left me with many, many memories to cherish from all the times spent being with our family due to the friendship he had with my Grandfather and father. I remember there was never a dull moment when you were in his presence. And his laugh. Nobody had a laugh like his. Well, now he has moved on to his next stage but he is with each and everyone, every single day spiritually. Know that he has reunited with many of his old friends and I'm sure he is raising havoc in heaven! My truest and deepest sympathy Mrs. Naimey and the rest of his family. All my love to you all.....

“ To all the Naimey's thank you for so many wonderful years and memories from Boardman Rd. I still can hear the horn beeping as he came in the yard 'party time" at the Naimey's. I send my love and prayers to all of you and know what a loss you all are sharing. He was a very special man...and know there is a golf match going on in heaven with Bill and Bob.
