“ Mike and I were were tennis buddies and good friends in the 70s and early 80s. We went our own ways after that but always resumed our friendship whenever we crossed paths. Mike was a genuinely great guy and always a joy to be around. He leaves a legacy of people he cared for and who cared for him.

Cheers, brother

“ Our deepest sympathies go out to the O’Harra family. We met Mike about 10 yrs. ago. We rented Beachnuts and he paid us a visit. We continued to rent from him for about 7 yrs. It seemed like we had know him forever. He was so much fun to talk to and he taught us a few things along the way. We live here now ... I went by Kroger to say Hi but it was his day off. I regret not going sooner. I know he’s with Judy now. God bless.

*Mike and Judy moved to the neighborhood about a half year before we did. Everyone on the street knows each other and he will be missed. Always a friendly hello and conversation with Mike. We had just spoken a couple of days before he passed.
RIP*

“ *I met Mike in 1971 at the Hoppin Hutch. He later became a bartender at 2001. We began talking about hunting and realized he loved duck hunting as much as I did. We hunted together 4-5 times a week until about 6 or 7 years ago. He was a good and special friend. He will be greatly missed. Mike Hardee*

“ *I was Mike's beach monkey for several years. Guess around 1974 - 1977. Remember driving the jeep on the beach while he put umbrellas, mind you I was 13, 14 and 15. That was the coolest thing ever for a kid at one of the best stands on the beach. Mike later got me a job at the Port-O- Call lounge bartending then at the world famous Mother Fletchers. He was the big brother I never had. So many laughs and meals and beers. He contacted on FB the day after his first incident I replied back. Oh how I wish I would have called him that night. Love you Crash.*
