“ While doing some research for the Shareholders Services Association (formerly the Corporate Transfer Agents Association) I was sent a picture to try and identify the persons in it. That picture was of Bill and Pam and it brought back many great memories of both Bill and Pam and the good times we had at those yearly conferences. Both my wife MaryAnn and I are deeply saddened to hear of Bill's death. Our thoughts and prayers go out to the family and especially to PAM.

“ So sorry to hear of Bill's passing. He was a lover of life and family and an astute observer. He was a true assent to Indigo Creek and all of us who knew him. A life well lived!

“ We go back many years and the last forty five are memorable. To say we have been best friends with Pam and Bill would be an understatement. Bill was "Our Buddy and Brother". In his silent way he touched many hearts and everyone loved him. Husband, Father, Grandfather, Brother, Friend--"Bill was always there for us". May God bless you Pam and all your family. “ Deep sympathy and love to my cousin Pam and the family. Bill was a man's man. I always enjoyed being around him. Sat with him @ Jen & Jim's wedding and although it had been years since we saw one another, he made it seem like just the other day. One of the great ones. Rest in Peace Bill.
