“ *Some of my fondest childhood memories were at the Richardson household. I remember playing Barbies or school or something else really fun and hearing the phone ring. Mr. Richardson would call out, "Kay ruuun." I would say to Julie, "why is your dad telling my dad to run?" We would laugh all the way down the hall. Mr. Richardson would say, "why are you girls always giggling?" We would just giggle even more. So sorry for your loss. I send you all my love and prayers. If we can do anything for you, please let us know.*
