“ To the Bill Henry family, It is with sadness that I hear of your loss. I worked for Bill at Westinghouse as a quality assurance inspector, Bill always cared about his people and could give us "younger" people some fatherly advice if ask for. He could be strict at times but never over bering he was a professional and expected the same from others. May God Bless all of you in this time of sorrow###imported-begin##Larry Harris Jr.###imported-end##

“ Bonnie, you and Bill were the first two people we met when we moved in. You took us under your wing and were the greatest of neighbors. Bill was also kind to Max bringing him the "rolls" We miss him already, and even though he is not on earth, we still feel his love here and for that we will always love him. A kind and gentle man, a caring man who loved his wife and daughters and walked on clouds when he talked about Donnie, his beautiful grandson. I think that everyone that knew Bill has a special place in their hearts for him. I know I do and we are honored for having him for a friend and neighbor. God Love you my friend. You are missed. With much love and respect, Jackie and Buddy Patton###imported-begin##Jackie & Buddy Patton###imported-end##
