*Cheryl, I'm so sorry to hear about Archie. We lost touch with you all when we left Kingston, but I thought of you guys often and wondered how you all were doing. He was such a good person and I always enjoyed his laugh. I know Archie is singing in Heaven. I could sit and listen to him sing "The Anchor Holds" all day long. I'm praying for you and your family.*

“ To the entire West Family:  
Mr. Archie was one of the kindest men I knew. He and my daddy used to sing alot back in the 80's and early 90's. He had a beautiful voice, and now they are singing together again in Heaven. May God always comfort and keep you in the weeks, months and years to come.  
With love,

“ Mr. Archie- You have been and always will be incredibly loved by the Hearl family! I remember meeting you when I first started dating Christopher. You made me laugh and laugh! I loved you instantly! When we had our daughter she had special phone calls from “Santa” that she still talks about to this day! When we moved to South Carolina she had BEAUTIFUL dolls show up at our house to play with and DELICIOUS cookies to devour! Your heart was huge and I’m grateful I was able to know you! Give Jason a big hug for us I know y’all are busy catching up!! We love you and will miss you tremendously!!  
Love,  
Christopher, Shannon, and Madelyn

“ *Archie was family to us. My Daddy (John Currie) thought a lot of him. Dennis' family lived a few yards down from his family. This was such a shock to hear. We are praying for all of you, especially Cheryl. Timmy, you were very close & we are praying for you too. I know Jason & Ashley were at the gate to welcome him home.*

“ *I knew Archie all 71 years and 49 days of his life. I have so many wonderful memories of growing up with Archie from him cutting his hair off with Mother's scissors when he was about 4 because he wanted to look like Preacher Barnes (who was bald) to crying because he accidentally shot a little bird with his BB gun. The last text I got from Archie was on November 7. It ended with, "Yep, Love You." Little Brother, I hope you knew how much I loved you.*

“ *Aunt Cheryl Ann, if I had just one word to describe Uncle Archie, it would be “kind.” I remember him fondly as a jokester, prankster, and fun-loving. However, when I think about him, “kind” keeps coming to mind. It is too late to spend more time with him, so memories will have to suffice. He is home now, and our God will cradle Uncle Archie in His loving embrace until we meet again one day. Praying for you and the family during this very difficult time. Love, Carol*
