I will always cherish mine and Mr Willey friendship and we became closer friends as I was his caregiver at nights since January and we had many laughs together as he would always pick on me and me puck on him We would try to get each other's goat as the saying goes.He took me on many golf cart rides since last year and this year too. I will always treasure his friendship and honor his name. He loved to watch wrestling every chance he got and he loved for me to fix him my meatloaf and potato salad and my eggs and I always took him different kinds of treats when I came over.His face would always light up when he seen me because he knew that I was going to get him to laugh too. He really loved his family members very much and we would talk about them and he had a great memory and never forgot nothing . I will always miss him and his soft voice and when I would ask him something sometimes , he would say no no back to me and both would laugh at each other He had a heart of gold and he will be greatly missed but God gained another angel when he took him home to heaven

I felt honored to have known Mr. Willie over a year and half and been a caregiver and a special friend of his. We shared many funny and jokes everyday and he always made me laugh and smile everyday when I came in to sit with him at nights. He used to take me for rides on his golf cart which he loved to ride. I will never forget him and our memories that we made and him liking my meatloaf and potato salad and eggs that i made for him a lot. I will never forget him
