“ I am so sorry to hear about Willie Jo. We worked together at R C Soles Co. Jo is the reason I learned to like coffee. She would put on a big pot every morning and it would smell so good. I wanted to like it so bad and would keep sipping on a cup till I learned to like it. And I've been drinking coffee ever since. Jo was a great person, hard worker and had that big smile for everyone. She loved her family and was a very talented lady. She will surely be missed. ❤️🙏

Oh how I'm going to miss Jo. We certainly did enjoy worshipping & visiting with her while she was homebound. We enjoyed many meals in her home, taking food and fellowshiping together. She was so talented in many ways. I had the pleasure of purchasing some paintings from her which I cherish dearly. One especially the Riverwalk in Conway. It is hanging over my sofa in my home and is framed so beautifully. She will surely be missed by everyone that was blessed to make her acquaintance. Praying for all the family for acceptance and strength in the difficult days ahead.. 🙏❤️ Judy Cannon Singleton
