“ When I retired to South Carolina Randall was the first person to come down to my house and welcome me to the neighborhood he was a true friend and I am so glad that I had him for my friend. R.I.P. Randall you’ve definitely earned it but you will be missed.

“ Tom and I are so sorry to learn of Randall’s passing. We lived next door for several years in Surfside and we’ll always remember his kindness and how much he loved their Golddn Retriever Rocky. Our golden, Idgie, loved them both. Sending love and healing thoughts to Polly Jo and the rest of the family. Carolyn and Tom Murray.

I had a chat with Randall and Polly not long ago. He was my cousin and class mate at Hannah school. He was always such a delightful person to be with. Prayers to all of you.
