“ In 1968, fresh out of high school, my Dad, Odell Dew, went with me to co-sign for my first loan. He and Mom always did their business with Mr. Willis. Mr. Willis gave me my first loan for a 1968 Volkswagen fastback. They were new on the market. He was so good and kind and asked if I would bring it back for him to see. He had never seen one. After getting the car I went right back to the bank to get Mr. Willis. He came outside to look at my car with my dad and me. Through the years he has helped me and no matter where he would see me he would always speak. Over the years he may have forgotten the name but he never forgot a face. I am so sorry for your loss. He will be so greatly missed. He was a great man and cared for the people of Conway. Patricia##imported-begin##Patricia Dew##imported-end##

“ Willis Duncan was one of the finest Christian men I have ever known. His love for his Lord, family, and friends is legendary in my home. Like thousands of others in Horry County, Willis made me feel special. He always had time to see or listen to me and yet when I left he made me feel as if I had done him a favor by spending time with him! I thank God for the many ways Willis touched my life and send my prayers to his children and the rest of the family.##imported-begin##Fr. Thomas M. Rickenbaker##imported-end##
