“ About two years ago a little lady who was suffering from a broken hip and was placed in room 702 at Conway Manor to undergo physical therapy. Just so happened that was the same room i was in. we were attracted to each other right away. seems like she could not talk without bringing up the subject of our lord and savior Jesus Christ or quoting a special scripture which everyone that heard her got a blessing from her words . over the weeks and months we were together my entire family fell in love with her in as much as she adopted us as her second family . Robert spoiled her by bringing her coffee in the mornings and Joe always brought her something - cookies, candy, pictures, flowers, and music cd's. she longed for the day when our lord would call her home . the family of Idell Haselden , Robert, Susie, Kay, and Joe already misses you but our loss is heavens gain you will forever be in our hearts Mrs. Wilma. Yes Mrs Wilma now you know the scripture for i know the thoughts that i think toward you, saith the Lord thoughts of peace, and not of evil, to give you an expected end Jeremiah 29:11. Idell, Robert, Susie, Kay, Joe Haselden .
