“ *Hinson was a gentle giant. He and I attended school from the 7th grade to high school. We joined the Navy Reserves together. I lost contact throughout the years but memories I have of us together with our friend Eric, hunting and fishing, will remain with me forever. Condolences to the family.* ”

“ *Mr. Sellers was a very kind hearted man. I dated his son Woody and we continued to be friends for years. I remember Mr. Sellers Telling very corny but somehow hilarious jokes. He was a lot of fun. My Love and prayers go out to his family and friends. He will be missed dearly. I wish I had seen this sooner and been able to contact the family.* ”
