“ I extend my sincere condolences to the entire Santoluce family as you cope with the recent passing of Yolanda. It's been years since I have had any contact with you, but I have such fond memories of all of you. My heart breaks for you, Phil, as I know how close you and Yolanda were. I remember your smiles, jokes and all the fun exchanges we had over the deli counter at Green Hills and next door at the DeSaws. Amen to the macaroni salad...thank you Yolanda. To Diane, Mike and Linda I extend hugs. I know you will miss your mom who loved you so much. But, she will be with your forever. May she rest in peace in her new home beyond the sunset.
