“ Yvonne was my second cousin, we never met in person. However through the very close loving connection between my mother Eileen and Yvonne's sister Phyllis we always knew about the family happenings. With the passing of Yvonne and earlier Phyllis, that bond has sadly disappeared. I miss them so much. May the sisters be together in peace.

“ Miss Yvonne was a true lady. She always gave it her all, and was a delight to know. Although it has been many years since I have had the pleasure of her company, she was someone who was fun to work with, and it was an honor to have known her. My goodness, did she ever crack us up! She'll be missed.

Dearest Auntie Yvonne Sept 13th 1940 t0 Dec 29th 2012

When tomorrow starts without you and you are not here to see.

When the Sun comes up and finds our eyes, filled with tears for thee.

We wish so much we wouldn't cry, the way we did today.

While thinking of the many things, we didn't get to say.

We know how much you Love us, as much as we Love you.

And each time we think of you, we know you'll miss us too.

But when tomorrow starts without you, please try to understand.

That Jesus came and called your name and took you by the hand.

He said your place was ready, in Heaven far above.

That you had to leave behind, all those you dearly Love.

So when tomorrow starts without you, don't think we're far apart.

For every time we think of you, you are right here in our hearts.

God Bless you Yvonne xx

From Rod and all the UK based families that Love You xxx
