I am deeply saddened by the loss of Mrs.
Zelda. She was a strong and great woman.
She meant the world to me and my family. I
loved when her and BB would come see me
and we would get to talking. May God comfort you all during this
difficult time in your life. She will surely be missed by all!*

“ May the family take comfort in knowing that your dear Zelda is now resting peacefully, but only until the wonderful day when the scripture at John 5:28, 29 is fulfilled. (Ecclesiastes 9:5) There it tells us that "the hour is coming in which all those in the memorial tombs will hear [Jesus] voice and come out." Yes she has the wonderful prospect of living again. And then, "as the last enemy, death is to be brought to nothing." (1 Corinthians 15:26)

“ I worked with Buck at Grainger Station, many times Buck would be away from his desk, and I would answer his phone. Ms. Zelda would always say "Jo, is Buck there", when I would tell her he isn't available to get to the phone; her next thing to ask, "Is he out in this heat playing golf again?" Because I live alone, Ms. Zelda would call and invite me to dinner on the holidays, she didn't want me to home by myself. She definitely had a heart of gold and will be dearly missed by all who knew her. Sandy and Buck you had a great mother who loved you both dearly; and who has gone to heaven to reunite with your dad, Kenneth. If you need me, give me a call..... Love you both Jo Brehn

We are saddened to hear of the passing of Zelda. We were not close personal friends with her as we knew her primarily through a close working relationship with her husband Ken at the MBAFB. Zelda and Ken were a very special, honest, hard working, salt-of-the-earth couple who were model citizens in their community. To Sandy, Buck, and your families--you are very blessed to have had such special parents; you will be in our thoughts and prayers as you continue your journey through the grieving process. God bless you.
